

# SAFETY LEADERSHIP

## WITHOUT THE FULL-TIME HIRE.

### Safety consulting that helps you submit winning bids with confidence.

Bow Valley Safety is the fractional safety leader for Alberta's mechanical contractors. We prepare complete, audit-ready bid packages with safety plans and all required documentation—so you can meet prime contractor requirements, demonstrate due diligence, and stand out in the pre-qualification and bidding process.

#### SAFETY CONSULTING

Practical Safety Support for Mechanical Contractors.

- ✓ Health & Safety Program development
- ✓ Project-specific hazard assessments
- ✓ Safe Work Procedures (SWPs/JHAs)
- ✓ Roles, responsibilities & competencies
- ✓ Emergency response plans
- ✓ Legislation & code compliance

Practical support and industry knowledge to help mechanical contractors build strong safety programs and stay compliant.

#### BID PACKAGES

Complete, Audit-Ready Documentation for Prime Contractors.

- ✓ Safety plans tailored to project requirements
- ✓ COR® documentation support
- ✓ Subcontractor management plans
- ✓ Site orientation & safety meeting documentation
- ✓ Pre-qualification package preparation
- ✓ Audit-ready document packages

We help you submit organized, accurate documentation that demonstrates due diligence and strengthens your chances of winning work.

### HOW WE HELP YOU WIN MORE WORK

#### MEET BID REQUIREMENTS

Complete, compliant documentation that satisfies prime contractor pre-qualification and bid package requests.

#### DEMONSTRATE DUE DILIGENCE

Show you take safety seriously with professional, well-structured safety documentation.

#### REDUCE RISK & STRENGTHEN YOUR BID

Lower the risk of being disqualified and increase your chances of winning more profitable work.

#### SAVE TIME & RESOURCES

We do the heavy lifting—so you can submit faster and focus on delivering great work.

### THE REALITY IN ALBERTA

**29,200**  
lost-time claims  
in Alberta in 2024.  
Source: WCB-Alberta

**203**  
fatality claims  
in Alberta in 2024.  
Source: WCB-Alberta

**63.1**  
average days lost  
per claim in 2024.  
Source: WCB-Alberta

**3,786**  
proactive inspections  
conducted by Alberta OHS  
in 2024.  
Source: Government of Alberta

**2,815**  
orders issued by  
Alberta OHS in 2024.
