GROW YOUR BUSINESS WITH PENINSULA

Having access to your own human resources team means more time to build your business. That's where Peninsula comes in.

Receive Advice

Have a question about your business? Call our dedicated Peninsula consultant for guidance. Gain the right advice and solutions on such matters such as:

- Covid-19 related issues
- Contracts and policies
- Employee wages and entitlements
- Terminating employees legally and fairly

Meet with us for a One to One Consultation

Want to sit down and talk about your business in-depth? Or review your employee contracts and policies? Our experts will identify any gaps to make sure you are compliant and efficient.

Meet with a consultant in-person, video or telephone depending on your needs and will make sure your business is set up to succeed.

Access Events & Webinars

Find tips on policy changes, rights as an employer, and regulatory updates. Register for an upcoming webinar and discover ways to improve your business today.

Get in touch with us for more information and to register.

Full Compliance Service

Receive comprehensive help every step of the way with tailored contracts and documentation, unlimited 24/7 advice - every day, and protection with legal costs in the event a claim does arise. **10% discount for members.** Speak with our consultant today to access:

- Full suite of tailored employment documentation
- 24/7 unlimited advice and support on all employment relations, HR and H&S matters
- Online HR software via BrightHR
- MOL representation and insurance

*Subject to the terms and conditions of Peninsula Protect.
